Carol Van Horn, President Judge  
Tim Wilmot  
Hunter Leedy  
Ricky Lewis  
Steven Smith  
Zachary Mills  
Shalom Black  
Julia Lehman

- I. Welcome and Introductions** – The meeting commenced at 12:09 PM. Dave Keller welcomed the group. Lionel Pierre introduced Hunter Leedy, a senior at CASHS. Matt Fogal introduced the ADAs. Mark Singer introduced Deputy Court Administrator, Cheryl D'Amato.
- II. Approval of minutes of August 27, 2015** – The minutes were approved by consensus.
- III. New Business**
  - A. CJAB Strategic Plan review** – Shalom lead a review of the updated strategic plan. The document is a consensus on where we are heading in the next three years and was compiled from priorities determined at the strategic planning meeting. This draft has been reviewed by our Executive committee twice and is now being presented for comments:
    1. *Categories updates* – No changes have been made.
    2. *History updates* – No comments.
    3. *Trends updates* – We are looking for data to support anecdotal evidence regarding the rise in non-English speakers. It was suggested that our last review should ensure that supporting data for our priorities should be reflected in trends.
    4. *Crime Prevention* – No comments.
    5. *Public Safety* – No comments.
    6. *Justice Reinvestment* – No comments.
  - B. Jail Opioid Treatment Program update: April Brown** – We received a one year grant from PCCD that allows for those incarcerated to receive Vivitrol pre-release and to be connected to a Vivitrol provider post-release and a recovery support specialist for everything in between. With the state budget at an impasse, a small group of stakeholders are meeting to develop policies and

procedures for the program. We are also discussing jail treatment to be offered along with Vivitrol in order for those incarcerated to have options. After October 30<sup>th</sup>, we are hoping to have selected a provider for the Vivitrol project. We are expecting to begin implementation at the beginning of December. In November, other key stakeholders will be invited to review the proposed plan.

**IV. CJAB Office Reports**

- A. *Approval of CJAB Office Updates* – Approved by consensus.
- B. *PCCD Liaison Report* – PCCD Liaison was not in attendance.
- C. *Public Safety Report* – Last meeting included a program presentation similar to today's presentation. The next meeting is on Thursday.

**V. Presentation: *Public Confidence in Franklin County's Criminal Justice System: The Sheepdog Sustainment Initiative*, Matthew Fogal, District Attorney**

See accompanying presentation.

**VI. Committee Reports**

- A. *Executive* – Much discussion and work has been done on updating the Strategic Plan. A special session was called to review edits.
- B. *Criminal Case Flow Management* – Meetings have been changed to bi-monthly. There was discussion around Wednesday's case load and roll out of the jury management system.
- C. *Behavioral Health* – Majority of our time was spent on the SAMHSA strategic plan focusing on trauma. We are asking other committees to assist with action items. Progress is being made on the universal release. We have begun a framework for trauma informed practices.
- D. *First Contact* – Private complaints for fingerprinting do not get attributed to any one of our local agencies. The 2<sup>nd</sup> quarter fingerprinting compliance numbers jumped from 91% to 97%, which is a great accomplishment. This committee is reviewing the local rule on finger printing fees that are assessed.
- E. *Technology* – Technology committee discussed extending the data sharing, that will begin with Human Services, to the criminal justice system. This committee seeks requests from other committees to assist with systems and/or projects.
- F. *Victims Impact* – nothing to report beyond what is included in the packet.
- G. *Juvenile Justice* – We are working on getting school commitments for the Youth Court program. We are moving meeting dates to coincide with CJAB meeting dates and packet distribution.
- H. *Forensic Initiatives* – This committee is continuing to work on a bail information sheet, exploring a mentoring program for kids with incarcerated parents, reviewing the Vivitrol project, and reviewing current prevention programs and identifying gaps and/or opportunities for expansion.

**VII. Announcements** – None.

**VIII. Adjournment** – Shalom Black adjourned the meeting at 1:24 PM.

**NEXT MEETING: THURSDAY, DECEMBER 10 AT NOON  
JURY ASSEMBLY ROOM**
